- No Power No Problem Alarm System
- Triple Time Display
- AM/FM Digital Tuner
- Dual Alarm
- LCD Brightness Control
- NAP Timer
- Line-in Cable
- Melody Alarm
- Front Speaker

## ICF-C705

## AM/FM Clock Radio

## Features

- ATS (Automatic Time Set) The correct EST(Eastern Standard Time)has been preset at the factory so all you have to do is plug it in and adjust the time zone if necessary. In the case of a power interruption, the built-in Lithium battery maintains the correct time so when the power returns you don't have to reset the clock.
- ADST (Automatic Daylight Savings Time Adjustment) When Daylight Savings Time changes take place in the Spring and Fall each year, there is no need to adjust the clock because the built in calendar recognizes the dates and automatically makes the proper time adjustment.
- No Power No Problem Alarm System The pre-installed Lithium battery maintains clock and alarm operation in the event of a blackout or other power failure.
- Triple Time Display Current time, Alarm A and Alarm B are displayed on the easy to read LCD display.
- Line-in Cable Allows for easy connectivity of a digital music player or PC. (cable included)
- Dual Alarm Permits 2 separate wake-up times with individual wake-up settings and also allows you to wake to the radio or a buzzer.
- LCD Brightness Control Lets you choose between 3 positions: High, Medium or Low (H/M/L), by pressing the snooze button.
- NAP Timer Allows you to take a short nap and wake up to the radio or buzzer without changing your alarm settings.
- Melody Alarm
- Front Speakers Allows better sound to listen to radio.

## Specifications

Audio

Frequency Range: FM: 87.5-108MHz; AM: 530-1710kHz  
 Tuner Type: Digital  
 Full Range Speaker Size: 6.6cm  
 Speaker Output: 200mW(Power)

Convenience

Timer Clock: Sleep Timer, NAP Timer  
 Alarm: Dual Alarm; Alarm Pattern (5 melody, 2 buzzer)  
 Snooze w/Extendable Snooze: Extendable Snooze  
 AM/FM Memory Presets: 15 (FM:10; AM:5)  
 Auto Clock® Technology: Automatic Time Set; With  
 D.S.T./Summer Time Button; Automatic DST/ST adjustment  
 Calendar: With Date Display

Hardware

Display: White LCD, with Brightness Control

Power

Power Back-up: Built-in Lithium battery CR2032

Speaker

Speaker Type: Mono

Inputs and Outputs

Audio In: AUDIO IN CABLE (Fixed)

Dimensions

Measurements: W: 192.5 x H: 92.6 x D: 87.7mm

Supplied Accessories

I/M with Warranty  
 Button Battery (Built-in)

Color: White  
 UPC Code: 027242729612
